

# Portofino Friendship 2009

Portofino Restaurant would like to invite you to take a ride on the “Friendship”! The “Friendship” is Portofino’s 78-ton passenger boat. Purchased in 1994, this former Boblo boat is equipped with a built in wet bar, bathrooms, and light effects. The dual deck layout allows guests to enjoy the light breezes on the open top level, or sit in comfort in the enclosed bottom level. Entertainment, food, and beverage packages are always available. Cruise the majestic Detroit River and make your event a memorable one.
